

We want to IGNITE innovation in the energy sector.

OPG's Inspection and Maintenance Services team is dedicated to collaborating with you & supporting your technology development.

We're excited by tough challenges. If you are working on innovative technology, we want to work with you!

We will be hosting our first pitch competition in partnership with Spark Centre's Ignite Competition. **Apply between August 21st and September 29th!**

Submit your pitch deck to imsinnovation@opg.com.
